Projects

SRM PYQ — Exam Question Bank Platform | *Next.js 15, TypeScript, React 19, Tailwind, KaTeX* — **srm-pyq.vercel.app**

- Developed a fast, searchable exam repository adopted by **100+ active users**, cataloging previous year questions across 12+ core courses.
- Integrated KaTeX for mathematical formula/matrix rendering and PrismJS for multi-language code syntax highlighting.
- Built an instant client-side search and filtering engine to query questions by course code, unit, semester, and keywords with <50ms latency.

Little Moments — Browser Photobooth | *TypeScript, React, MediaPipe, HTML5 Canvas, Tailwind* — **lilmom.vercel.app**

- Built a 100% client-side, privacy-first photobooth supporting front/back camera feeds, 6 real-time filters, and multi-shot strip layouts.
- Integrated Google MediaPipe for on-device palm gesture detection to trigger hands-free countdowns and automated photo capture.
- Leveraged HTML5 Canvas APIs for client-side raster composition and instant PNG downloads with zero server dependencies.

Extracurricular Activities

- Volunteered 50+ hours with the **National Service Scheme (NSS)**, organizing community service drives, tree plantation campaigns, and blood donation awareness programs.
- Led on-ground coordination for cleanliness drives and blood donation awareness, collectively engaging 200+ students and local residents.
